Harriet was one of the most wonderful people we ever were privileged to know. We loved her and she loved us. She and my dad were the best of friends and looked forward to spending time together for around 8 years. She was with him until the day he passed. We will never forget her loving

kindness. Daddy loved her and her family. We know you will miss such a special gem. She is with the Lord now. You have our condolences. May God give you peace, comfort and strength in the coming days. Rama Jean and Bruce Franklin
